This certificate attests that all provisions concerning
the assessment and verification of constancy of performance
described in Annex ZA of the standard

EN 12843:2004

under system 2+ are applied and that the factory production control
fulfils all the prescribed requirements set out above.

This certificate was first issued on 15.07.2011 and will remain valid as long as the test methods
and/or factory production control requirements included in the harmonised standard, used to assess
the performance of the declared characteristics, do not change, and the product, and the manufac-
turing conditions in the plant are not modified significantly, but at the latest until 22.11.2024.
